Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If any changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course --- In the event a National Open Record is set on the course, or at the discretion of USA Track & Field, a verification measurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 of the year: 2034

Prospect Park | Brooklyn, NY

Measured by Matthew Slocum | precisioncoursedesign@gmail.com
 28 February 2024, 4 March 2024, + 9 April 2024

Except as noted in the Course Restrictions, this course was measured using the full width of the road and the shortest possible route.

Course Narrative:

Start running SW on Well House Dr. Turn left on West Dr, then complete two full (counterclockwise) park loops via West Dr and East Dr. These two full loops are followed by a partial third loop. During the partial third loop only, runners turn left on Center Dr from West Dr for the Finish. The segment on Well House Dr only happens at the start of the race, and the brief segment on Center Dr only happens at the end of the race.
